Holiday Homework Summer Vacations Class - 6th A

English

- 1. Do Holiday Package given in Bravia
- 2. Do Worksheet 1 to 5 (Unseen Passage)
- 3. Do Worksheet 16, 17 (Notice)

हिन्दी

कविता लेखनः ग्रीष्म ऋतु पर एक कविता लिखें और याद करें। निबंध लेखनः मेरा प्रिय त्योहार विषय पर निबंध लिखें। रचनात्मक गतिविधिः 15 कठिन शब्दों की एक सूची बनाएं तथा इन शब्दों से एक एक वाक्य बनाएं। व्याकरण अभ्यासः कक्षा में कराए गए पाठों का पठन करें और प्रश्न उत्तर अभ्यास सहित याद करें। लेखन कार्यः10 पृष्ठ सुंदर लेख में लिखें। कक्षा में कराए गए पाठों को पढ़ें तथा याद करें।

Social Science

RSVE

Do givan chapter's worksheet in your fair notebook. Activity:

•Submit in a folder or notebook.

•Prepare in attractive way.

- 1. Draw a political map of India showing:
- i) Tropic of Cancer

ii) Standard Meridian

iii) 5 neighboring countries

iv) State & Capital and Union territory with their capital

v) In world map ocean and continent with colour pen.

Chapter 1 (Locating Places on the Earth)

Written work:- Write keywords, Question Answers and exercise of Ch-1,2,3 in holidays homework notebook

Learning work- Learn Ch-1,2,3 from book and notebook

Find out 50 One word questions from Ch-1,2,3 ,4 and write in fair notebook. Activity:

•Submit in a folder or notebook .

•Prepare in attractive way.

Draw a political map of India showing:

i)Tropic of Cancer
ii). Standard Meridian
iii)5 neighbouring countries
iv) State & Capital and Union territory with their capital
v) In world map ocean and continent with colour pen

My Local History Project

Activity: Create a scrapbook or a chart about the history of your city/town/village. Instructions:

Include old photos, monuments, temples, mosques, or forts. Draw or paste a map showing your region.

Civic Sense around Us

Activity: Prepare a report or short video on "Good Citizenship Practices" in your neighborhood.

Science

- Chapter 1 What is Science?
- Chapter 2 Diversity in the World Around Us

E Instructions:

- All activities are to be done neatly in your science holiday homework notebook.
- Use pictures, drawings, and colors to make your work attractive.
- Write with proper headings and complete sentences.
- Submission Date: First day after summer vacation.

1. Science in My Home

Make a list of 5 activities you do or see at home that involve science. For each, write the name of the activity and the science concept involved.

★ Example:

Activity Related Science Concept

Boiling water in kettle / Heat changes state

Mixing salt in water / Solubility

2. Nature Journal

Go outdoors and observe 10 living things (plants or animals). Write their names, type (plant/animal), and one interesting feature. Draw a picture or paste a picture of (Plant/Animal) along with them

★ Example:

Living Thing Plant / Animal / Interesting Feature

Mango tree Plant / Has big green leaves and Has

Sparrow Animal / Builds nests in old walls

3. Revision of syllabus

Read chapter 1 and 2 and make 20 question answers by yourself (for each chapter)

Questions can be different type like MCQ, Fill ups, Short Answer Questions etc.

4. Learn chapter 1 and 2 complete again.

Enjoy your holidays and stay curious about the world around you!

Sanskrit-

यह कार्य आप सभी को एक अलग holiday homework नोटबुक में लिखना है। लिखाई साफ़ और सुंदर होनी चाहिए। 1.प्रार्थना (4) लिखो व याद करो 2.पाठ -1, 2, 3 के शब्दार्थ लिखो। 3.पठ् धातु पूरी लिखो व याद करो। 4.विलोम शब्द (30) A4 s 5.हर रोज कोई पांच कठिन शब्द लिखो व उनका उच्चारण सीखो। 6. संस्कृत में परिचय (Self Introduction in Sanskrit):उदाहरण: मम नाम ______ अस्ति। अहं कक्षा षष्ठ्यां पठामि। मम पितुः नाम ______ अस्ति। अहं संस्कृतं पठितुं इच्छामि। 7. चित्र सहित शब्दावली संग्रह: 10 वस्तुओं के संस्कृत नाम चित्र सहित (जैसे: फलम्, पुष्पम्, पुस्तकम्, जलम् आदि)(चित्र बना सकते हैं या चिपका सकते हैं।) 8. एक लघु संवाद (Short Dialogue in Sanskrit): उदाहरण:रामः – नमः मित्र। कथं भवति श्यामः – अहं कुशलः अस्मि। त्वं कथम्

Computer:-

Writing -CH-1 Write G and H part in notebook
CH-2 - Write E and F part in notebook
Learning -CH-1 Learn A, B, C, D, E and F Part from book.
CH-2 learn A, B, C and D part from book.
Reading Section-Read Chapter-3 from book.

Maths

Writing: Write 2 to 30 tables (3 times) in holidays homework notebook and do given worksheet Learning - learn tables 2 to 30. Square table - 2 to 50.Cube table 2 to 20

Activity:

Chapter 1: Patterns in Mathematics

Activity 1: Exploring Patterns in Nature and Daily Life

Objective: Identify and analyze patterns in your surroundings.

Instructions:

Observe and document at least five patterns found in nature or daily life (e.g., leaf arrangements, floor tiles, clothing designs).

For each pattern: Take a photograph or draw it. Describe the pattern and identify the rule governing it (e.g., symmetry, repetition).Reflect on how recognizing patterns helps in understanding the world around us.

Chapter 2: Lines and Angles

Activity 2: Constructing Angles and Lines

Objective: Practice drawing various lines and angles.

Instructions:

Using a ruler and protractor, draw:

Two parallel lines, Two perpendicular lines, Angles measuring 30°, 60°, 90°, and 120°.Label each accurately. Decorate your drawings to make them visually appealing.

Mathematics Worksheet

Chapter 1: Patterns in Numbers

- 1. Continue the pattern: 3, 6, 12, 24, ___, ___
- 2. Write the next five odd numbers after 15.
- 3. Find the sum of the first five even numbers.
- 4. Write 3 different number patterns and explain their rules.
- 5. What comes next? 1, 4, 9, 16, 25, __, __
- 6. Arrange the numbers 253, 235, 523, 325 in ascending order.
- 7. What is the greatest 4-digit number formed using digits 5, 3, 8, 1 (without repeating)?
- 8. Write the expanded form of 7,362.
- 9. Write the place value of 5 in 5,462.
- 10. Create a pattern using triangles or circles and explain it.
- 11. Write all multiples of 3 between 1 and 30.
- 12. Identify the pattern in this series: 10, 20, 30, 40, ___,
- 13. Write a 3-digit number whose digits add up to 12.
- 14. Draw a design using repeated number patterns (example: tile or floor design).

15. Solve: If a number increases by 5 every step and starts from 7, what will be the 6th number?

Chapter 2: Lines and Angles

- 1. Name different types of angles.
- 2. What is the measure of a right angle?
- 3. Draw and label: acute, obtuse, and right angle.
- 4. How many right angles are there in a rectangle?
- 5. Identify and name any three angles around you at home.
- 6. Which instrument is used to measure angles?
- 7. Define line, line segment, and ray.
- 8. What kind of angle is formed when the hands of a clock show 3 o'clock?
- 9. Draw two parallel lines and one line intersecting them.
- 10. Which type of angle is more than 90° but less than 180°?
- 11. Can a triangle have more than one right angle? Explain.
- 12. Draw an angle of 60° using a protractor.
- 13. Find the total of angles $45^{\circ} + 90^{\circ} + 30^{\circ}$. What type of angle is this total?
- 14. What is the name of an angle measuring exactly 180°?
- 15. Write true or false:

A straight angle is 180°.

An obtuse angle is smaller than a right angle.

A square has 4 right angles.
